Established in 2009, our business has grown and has established 2 different cuisines with 3 distinct concepts in the world of F & B industry. In the Japanese cuisine we have our marquee restaurant concept Sushia – Izakaya, For the casual concept is our Sushia – Sushi Roll & Fresh Bar. Peoplecafe where it all began is a modern cafe concept catering to all demographics.

“PEOPLECAFE” offers the ultimate in cafe experience. It is a place to refresh your senses, a place to relax to eat and drink. Offering outstanding coffee, food and friendly service, Peoplecafe is an oasis among the frantic pace of city life.

“SUSHIA - SUSHI ROLL & FRESH BAR” was established with the aim of delivering a unique taste of fresh sushi rolls and other variety of fresh Japanese menus. Due to our ongoing success, our stores have grown rapidly within the last 12 months with several new stores currently in the pipeline. Our overall look, feel and delivery of our offerings have exceeded many of the existing brands and is seen as the market leader in Japanese Takeaway on the Eastern seaboard.

“SUSHIA - IZAKAYA” is a higher end concept which has become Australia’s premier Japanese cuisine destination. Sushia chefs use only the freshest produce and embrace both traditional methods and contemporary trends – delivering a unique taste of Japanese Izakaya.

Set in a signature architectural dining space, Sushia Izakaya combines fine food and boutique Japanese beer & sake with excellent staff to welcome you on an unforgettable culinary experience.
